## WHAT PEOPLE ARE SAYING:

"We just can't stop talking about you! The students were very blown away by your engaging, honest approach and loved how relaxed and funny you made it for everyone."

–**Sarah Rankin, Western Washington University Victim Services**

"Ducky's workshop was incredibly liberating! There's a revolution happening. Women are beginning to say, 'I can be sexy on my own terms. This is my body and I will not be ashamed.'"

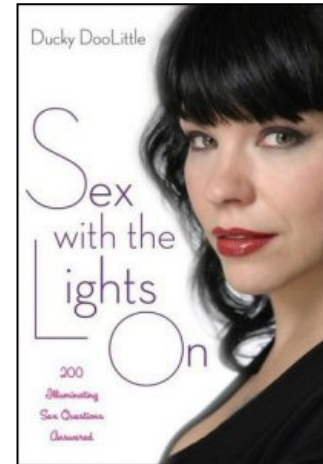

– **Carrie, Vassar University Student**

"Great! This workshop is about affirming who you are – accepting and letting go of all the negative crap we carry about our bodies, mind and sex..."

– **Kevin, Columbia University Student**

"Ducky Doolittle was an audience favorite because she is funny. Out walks this petite yet voluptuous ball of fire. Her delivery is forthright and honest. She does not mind talking about her own journey in order to make an educational point."

- **Fort Worth Weekly**

## Ducky

...is a comedian and sex educator from New York City.

Every year she performs for thousands of people of every age, gender and sexual orientation at universities, private events and on stages throughout North America.

Beyond her 18 years in the field of sexuality, Ducky is also a **Sexual Assault & Violence Intervention Counselor** for five NYC hospital emergency rooms. She has trained with Planned Parenthood in comprehensive STD prevention and comprehensive & medically accurate sex education. She wrote the book **Sex with the Lights On: 200 Illuminating Sex Questions Answered**.

She's hilarious and sincere, as she zeros in on relevant topics like self-esteem, safer sex and how substance abuse affects sexuality. Ducky mixes humor with sex advice, giving her audience permission to laugh and relax as she dishes out real, solid information.

**Her university appearance include:** Antioch College, Barnard College, Columbia University, Mount Sinai School of Medicine, New York Institute of Technology, New York University, Pace University, Sarah Lawrence College, University of California, University of Michigan, Vassar College, Wesleyan University, Western Washington University to name a few. Ducky has had six national tours to date. A few of her TV/radio appearances include: NPR, MTV, VH1, HBO, Comedy Central, and MSNBC.
